Players will be ranked according their score (number of points won). In case of a tie, the following extra ratio will be applied.

- a. Results of direct encounters between the tied players (if all the tied players have met each other, the sum of points from these encounters is used. The player with the highest score is ranked number 1 and so on. If some but not all have played each other, the player with a score that could not be equalled by any other player (if all such games had been played) is ranked number 1 and so on.),
- b. Buchholz Cut 1,
- c. Buchholz,
- d. The greater number of games played with black,
- e. The Greater number of wins.

Each player may win only one prize (the largest one).

For the players with the same number of points, prizes are distributed according to Hort system, among such number of players corresponding to number of advertised main prizes. Special prizes by category will not be divided. If the player has won more than one prize, he/she will be awarded the largest one, and ordered by the priority as listed in the regulations

At the closing ceremony 22 vouchers from Modern Chess will be drawn for participants that are present and who did not win any cash prize.

Remark:

All prizes are shown before taxes.

Taxes will be withheld in accordance with the existing laws in the host country.

The income tax rate is -10%
